Cord: 200 cm, Black textile cable  
Can the cable be replaced? No  
G9, Max. 5W, Light source not included

Area: Indoor

The beautiful design of the Contina pendant completes the Contina series with carefully selected details that make the series really stand out. The light frame is completed by a spherical opal white glass ball that hides the light source and spreads a soft glare-free light into the room. The slim design ensures that the pendant does not take up any unnecessary space in the room.
